THE COMMONWEALTH OF MASSACHUSETTS
ADVANCE COPY 1983 ACTS AND RESOLVES
MICHAEL JOSEPH CONNOLLY, SECRETARY OF STATE

Chap. 357. AN ACT PROVIDING AN EMERGENCY ELECTION PROCEDURE FOR THE CITY OF BOSTON TO BE UTILIZED IN THE MUNICIPAL YEAR 1983 ONLY.

Be it enacted, etc., as follows:

SECTION 1. Notwithstanding any general or special law to the contrary, there shall be a municipal election in the city of Boston for the office of mayor, a city council consisting of nine persons elected from districts and four at-large, a school committee consisting of nine members elected from districts and four at-large, which shall be held on November fifteenth, nineteen hundred and eighty-three.

SECTION 2. The city council shall adopt an ordinance after public hearing providing for the division of the city into districts. Each such district shall be compact and shall contain, as nearly as may be, an equal number of inhabitants as determined by the most recent census, shall be composed of contiguous existing precincts, and shall be drawn with a view toward preserving the integrity of existing neighborhoods. If, within thirty days of the effective date of this act the city council shall fail to make a division of the city into districts as required herein, the mayor shall propose a plan of districts in the required number to the local election district review commission, which shall approve the same with or without amendments as it deems necessary to meet constitutional requirements, after a public hearing.

SECTION 3. A preliminary election shall be held on October eleventh, nineteen hundred and eighty-three. Every person seeking to be a candidate for the office of city councillor or member of the school committee from a district, shall be deemed qualified and may be a candidate, if a voter in such district, and if such person shall submit valid nomination papers, as hereinafter provided.

SECTION 4. Only persons who have filed nomination petitions for the office of mayor with the election commission before five o'clock in the afternoon of July twelfth, nineteen hundred and eighty-three and certified by the election commission and not successfully objected to by August ninth, nineteen hundred and eighty-three shall be deemed a candidate for said office. All persons who have filed nomination petitions for the office of city council at-large and school committee at-large with the election commission before five o'clock in the afternoon of July twelfth, nineteen hundred and eighty-three and certified by the election

commission and not successfully objected to by August ninth, nineteen hundred and eighty-three shall be deemed a candidate for said office. All persons who have filed nomination petitions for the offices of district city council or district school committee member may resubmit nomination petitions previously filed for certification in the district in which they reside or submit new nomination papers as provided herein and in accordance with law. In the case of resubmitted nomination petitions, only the valid signatures of the persons residing in the district constituted hereunder and for which the candidate seeks election shall be deemed valid for the purposes hereof. Further, any person seeking the office of city council or school committee, regardless of at-large or district office, may become a candidate for said office by complying with the provisions herein. Any person certified as a candidate for city councillor or school committee member at-large, or by district, who shall submit or resubmit nomination petitions for a different at-large or district office shall be deemed to have withdrawn his candidacy for the office previously certified, no person being eligible to be a candidate for more than one office.

Notwithstanding the provisions of section fifty-seven B of chapter four hundred and fifty-two of the acts of nineteen hundred and forty-eight, no candidate or authorized committee named in the nomination petition of a candidate for mayor, city council at-large, school committee at-large, district city council or district school committee shall be allowed to file a certificate of substitution for the preliminary election of nineteen hundred and eighty-three or the regular municipal election of nineteen hundred and eighty-three.

SECTION 5. On the first business day after the effective date hereof, the election commission shall distribute nomination petitions in such form as it shall provide, which shall not have preprinted candidate information as specified in section fifty-five A of chapter four hundred and fifty-two of the acts of nineteen hundred and forty-eight and which shall not provide for a committee for substitution, no such substitutions being permitted in this municipal year. No person shall be required to sign any affidavit or certificate of candidacy prior to filing such petitions. Every paper filed pursuant to this section shall be filed with the election commission not later than the tenth day following the first day of distribution of papers hereunder, and each such shall be certified by the said commission within five days of filing, Sundays being excluded. Each paper certified shall immediately be open to inspection of the public and challenges to the same shall be entertained for three business days following certification and no longer. All challenges or objections relating to papers or candidates shall be settled after a hearing, with notice of not less than twenty-four hours to the candidate involved and shall be settled by vote of the city ballot law commission occurring not later than twenty-four hours following such hearing.

SECTION 6. Except as herein provided, the supreme judicial court shall have original jurisdiction with regard to any litigation arising hereunder.

SECTION 7. In the event of any conflict between the provisions of this act and the provisions of any other general or special law, the provisions of this act shall govern.

SECTION 8. This act shall take effect upon its passage.

Approved August 18, 1983.

Boston

Dear Candidate:

You are hereby notified that in accordance with Chap. 54 Sec. 135A M.G.L. the Board of Election Commissioners will conduct a City wide recount of votes for the City Preliminary Election held October 11, 1983.

This recount is necessitated by the very short period of time (five weeks) between the City Preliminary Election and the City Election. If the Board of Election Commissioners were to adhere to both the statutory recount dates (Chap. 54 Sec. 135 M.G.L.) and the City of Boston ballot position drawing requirements it would place and insurmountable burden on the Election Commission and jeopardize the City Election.

Therefore the Board of Election Commissioners has voted to hold a City wide recount for all offices appearing on the Ballot at the City Preliminary Election held on October 11, 1983 (Mayor, City Councillor at Large, District City Councillor, District School Committeemember).

The recount will be conducted by Districts at the following locations, dates and times:
